DATASHEET BLOCK LINE

- Sturdy open front bins made of shock-proof polystyrene (HIPS).
- Assembled together by an easy and sure slot.
- Temperature resistance from -20°C to $+60^{\circ}\text{C}$.
- Front and back side ergonomic handgrips.
- Sizes 4 and 5 can be slotted together on three sides as they can be joint at the back-side, too.
- Integrated label holder on the front.
- Supplied with one label each, additional labels available as accessories.
- Partitioning insert for Block 5 available as accessories.
- Additional colours: available on specific and important quantities (please contact us).
- Carrying handles on the front and back.
- Easy and efficient modularity thanks to the simplicity of the joining guides.
- Possibility to make multiple combinations of assembly by improving the space exploitation in terms of versatility and flexibility of utilization. The assembly system allows the building of self-standing structures without using any shelving system.
